

FOR IMMEDIATE RELEASE

Shane Ryan Announces Campaign for Mill Bay/Malahat Area A Director

March 9th, 2026: – Shane Ryan, Malahat resident, small business owner, and former Alternate Director, declares candidacy for the upcoming fall election for Area Director for Area A. Shane, 49, is gearing up to launch his electoral campaign which will focus on reducing property tax increases by reining in CVRD spending, improve transportation, ensure we have resiliency with both our watershed and wildfire readiness, and expand services and housing opportunities for seniors in our community.

“I am proud and honoured to announce my candidacy. The primary job of any Area Director is to be a fierce advocate at the CVRD, and for me it will be to fight for the residents of Area A. The job of an Area Director is to ensure the CVRD is working for Area A residents, not to sell the CVRD to the residents. My priorities include: stopping the out-of-control spending (40% increase since the current director took over), hold the CVRD more accountable and ensure transparency, reduce red-tape to create small business opportunities and jobs for our kids, wild-fire and watershed resiliency, and housing options for seniors.”

As Alternate Director Shane Ryan:

- Fought and saved 50+ jobs at Western Stevedoring
- Voted in favour of the Malahat Skywalk
- Voiced strong opposition and voted against director pay increases during the pandemic
- Questioned CVRD spending

In his private life Shane Ryan is:

- Facilitating a 52 unit affordable housing project for seniors in Mill Bay with a non-profit organisation.
- Working with other non-profit organisations to find more sites for affordable seniors housing projects
- An experienced entrepreneur who has built and sold a successful business and had a career in private sector finance, and now operates a successful software consulting company.

Shane Ryan, his wife Christine and 11-year old daughter, Elizabeth live entirely off-grid within Area A, Mill Bay on the Malahat Mountain. Shane and Christine are both self-employed - are active community volunteers, a foster family for animal rescues (30+ dogs rescued) and parishioners of St. Francis Xavier Church, Mill Bay.

Shane Ryan is President of the Mill Bay Community League for the past 5 years. During Shane's tenure as Mill Bay Community League President, Shane has raised thousands of dollars for our local CMS foodbank, the lunch program at Francis Kelsey, and is currently facilitating 52 units of affordable seniors housing.

Shane Ryan's wife Christine through her volunteer work as a charity auctioneer has also raised tens of thousands of dollars for many important local causes and, fully intends to continue this valuable and essential community work together with their daughter Elizabeth
